

Please join me in congratulating **Jose Solis** as the recipient of the AP Employee of the Month for June!

Fun facts about Jose:

- Jose loves to stay healthy and fit – he goes to the gym 3-5 times a week
- He likes to go to the beach and walk the Culver City Stairs
- Jose was born in Selma, CA
- He attended UC Davis with a focus in neurology, physiology, and behavior
- Jose spends a lot of his free time backpacking and hiking
 - He has visited 6-8 national parks and can't wait to see more

A little more about Jose:

- Jose is a CLS in the Molecular Diagnostic Laboratories
- He has been working in the department for 3 years
- Jose joined the Molecular Diagnostic Laboratories as a CGMBS trainee in July of 2014
- In addition to his daily testing duties as a CLS, Jose provides coverage in specimen processing, molecular pathology, and other NGS benches
- He is also very active in supply ordering and software updates
- Jose was instrumental in the NGS lab move and Ion Torrent system validation

In your own words:

- "He is an amazing laboratory professional!"
- "Jose was a star trainee."
- "Jose is always willing to help others in the lab."
- "He always steps up when the lab is short staffed."
- "Jose is great at troubleshooting tasks."
- "He is very serious about always doing the right thing and consistently performing at a high level."

Jose is a great example of an employee that is committed to quality patient care on a daily basis! His professionalism and attention to detail have a positive impact on the entire department.

If you see Jose in CHS, please congratulate him on this achievement! This announcement will also be presented on a poster in the A7 corridor of CHS. Come check it out!
